Darsning go _ Republic of Uzbekistan _ _ _ State anthem is sung. From the anthem then students x or, "Independence strengthen own our contribution to add we promise." _ _ _ _ _

Spiritual courage is the greatest courage. We must understand the concept of "spiritual courage." Spiritual courage is a characteristic of all mankind and should be possessed by all of us. What should be the human qualities capable of spiritual courage? The criteria of true heroism were set by our ancestors. Devotion is a proof of a great heart and a strong will. Devotion is a high quality. Academician Yahyo Gulyamov, People's Poet Zulfiya, Hero of Uzbekistan Ozod Sharafutdinov will tell stories about their exemplary life and work. Selfless people are the pride and joy of the people. It is everyone's duty to live with a sense of spiritual courage. Independence is the greatest spiritual courage of our people. Spirituality is a continuous process.

The continuous path of spiritual growth is traversed by us. Constant striving for spiritual growth is the path of a patriotic citizen of Uzbekistan. The people are a caravan on a great and glorious path.

Preparing students to read the work. Travel around the class.

Teacher: - Today we are going on a trip to historical cities. You will be divided into 4 groups and go to historic cities. Each group thoroughly studies the scholars who lived in the city they visited, their opinions, and historical monuments. Then he talks about it.

Pupils are divided into groups "Andijan", "Fergana", "Margilan", "Kokand".

Conversation about travel.

- Andijan group, what did you learn during the trip?
- "Fergana" group, what was your impression of the trip?
- What secrets did Margilan keep in this city?
- What is your impression of Kokand group, scholars, masters, historical buildings of this city?

The teacher summarizes the students' answers and asks, "What day did August 31, 1991, go down in history?" asks the question.

Introduction to the work. Before the teacher expressively reads the work, "I read the work. You listen carefully, and then I will ask questions about the text."

If it is the greatest school in the world, the most honorable of the professions is teaching and coaching.

Islam Karimov, from the book "High spirituality is an invincible force."

Independence means the freedom and liberty that our ancestors have been waiting for for many years. Independence is free thinking, independent action ...

After the teacher reads the text expressively, he asks the students difficult words: generation, ancestor, perfect, interpreting the symbolic words and retelling the text.

Students are taught first in chorus and then inwardly. After a selective reading, a re-statement is made.

It is not easy for students to retell a popular science text as a plot work or poem, so when retelling a popular science text, keep in mind the following: it is necessary to allow the reader to use the terms in the text as much as possible or to use their synonyms.
